I am directed to refer to the subject noted above and to state that the Government of Sind has been pleased to direct that with effect from 1st July, 1987, the pension of all the existing Civil Pensioners who have retired between 1st July, 1986 and 30th June, 1987, would be indexed at the rate of 4% of Gross Pension. Those who have retired earlier will continue to draw the indexation already allowed to them in addition to the indexation now being allowed.

2. For the purpose of indexation the term 'pension' means gross pension i.e. pension before commutation and/or surrender of 1/4th thereof including any dearness/adhoc increases in pension sanctioned from time to time in the past.

3. If a person is in receipt of more pensions than one, the pension will be aggregated for the purpose of these orders.

4. The indexation will also be admissible on the net amount of family pensions granted under the Pension-cum-Gratuity Scheme, 1954/Liberalized Pension Rules 1977 and pensions sanctioned under the West Pakistan Civil Services (Extraordinary Pension) Rules, as well as on the compassionate allowance under Rule 1.9 of West Pakistan Civil Service Pension Rules plus dearness/adhoc increases sanctioned in the past and where admissible.

5. If the gross pension sanctioned by the Sind Government is shared with any other Government in accordance with the rules laid down in part IV of Appendix III to the Account Code (Vol. I) the amount of the index will be apportioned between the Governments concerned on proportionate basis.

6. Commutation of any part of the indexed amount will not be permissible.

7. The benefit of indexation of pensions sanctioned in this letter will also be admissible to those Civil pensioners of the Sind Government who are residing abroad (other than those residing in India and Bangladesh) who retired on or after 15th August, 1947 and are not entitled to, or are not in receipt of pension increases under the British Government's Pension (increases) Acts. The payment will be made at the existing official rate of exchange.
